4th July 2019

Dear Parents and Carers,

SCHOOL DINNERS

We have reviewed our current school lunch menu and after consultation with our School Council and with our lunch provider Orian, we have decided to proceed with a multi-choice menu from September 2019. This will mean an improved menu with greater variety for our children. We hope you will take advantage of this improved hot lunch provision in school.

Although we have been fortunate to maintain the current cost of school meals for the last year, there has been an increase in staffing costs, food and power costs, and we reluctantly have to increase the price to **£2.50** per child per day. For nursery children, the new cost will be **£1.90**. This increase will start from the beginning of **next term, Wednesday 4th September 2019**.

Did you know that if you earn less than £16,190 per year, or are in receipt of any benefits (but not Working Tax Credit), you can apply for Free School Meals and the Pupil Premium Grant? It is an easy, straight forward process and can mean extra resources for your child as well as free school meals. For more information, please contact the School Office.

Yours sincerely

Mrs H F Richardson

Headteacher
