## SUMMER SUNDAYS

As part of The Brewery Arts Centre's Summer Sunday programme, the museum's LGBT+ project 'Within and Beyond' is coming to The Warehouse. Join us for a programme of iconic LGBT+ films and find out more about how you can get involved in *Pride In Your Yard*.

Lakeland Arts is embarking on a project which will re-examine the objects in the collections, exhibitions, and what we do. Through the project, 'Within and Beyond', we will bring out existing stories and invite new and diverse perspectives to Lakeland Arts. We will better represent Cumbria's LGBT+ history and voices.
